

PAYMENTS ANALYSIS

Payments for Analysis of sample under DST-FIST Central Instrumentation facility

Name of the Account: Theivanai Ammal College for Women

Bank and Branch: INDIAN BANK, VILLUPURAM

Acc. No: 447678375

IFSC Code: **IDIBOOOV024**

TACW Central Instrumentation Facility

TACW Central Instrumentation Facility objective is to provide services to all researchers and students of science departments in the Colleges in and around Villupuram.

The facility is open to Post Graduate Students, Doctoral Research Scholars and Advanced Researchers on chargeable basis.

Training programs and workshops/seminars are organized regularly for Teachers and research scholars in the areas of materials characterization and analysis.

Equipment's available in Central Instrumentation Facility: -

- UV-Visible Spectrophotometer
- Spectrofluorometer
- FT/IR Spectrometer
- Electrochemical Work Station
- Rotary Evaporator
- CO₂ Incubator

Submitting samples for analysis

After registration and payment, the samples should be submitted in the prescribed format indicating the parameters requested for as well as special requirements, if any. The samples may be registered for analysis and taken up for measurement as per the number, availability of time and priority. The users have to collect the result/data either in electronic form or in hardcopy from the TACW Office or through email on special request.

Permitted Visits for Students and Scholars

- The facility is also open for visitors such as academicians, Scholars and Students of other Institutions upon request (Workshop/Sample analysis) during working days.
- Visits are being allowed to help students understand the principles and operational methods of the respective instruments through Hands on Training (50 Students / day).

Modes of Payment

For internal samples (within the College) the student/faculty member has to submit the filled-in application form for instrument signed by the respective departmental head during submission of samples.

Interested researchers may make use of this facility by sending (i) Samples (ii) Demand Draft and (iii) Filled application form to The Principal, Theivanai Ammal College for women(A), Villupuram.

The results will be sent to the applicant after three weeks from the date of receipt of the application form, sample, Demand Draft. The nominal charge per sample is given below.

Note: the payment has to be made in the form of demand draft (DD) drawn in favor of ‘Theivanai Ammal College for women, INDIAN BANK, VILLUPURAM.

Details of Charges for the use of Analytical Equipment's

Sl. no.	Name of the Instrument	For TACW Inmates Rs.	For Research Scholars / institution / University Rs.	For Industry/ Consultancy
1	UV- Visible spectrophotometer (liquid, powder)	200.00	300.00	500.00
2	Spectrofluorometer	300.00	400.00	600.00
3.	FTIR Spectrometer	300.00	400.00	600.00
4.	Electrochemical Works station with accessories.	Based on the samples		
5.	Rotary Evaporator with Pump, controller and chiller			
6.	Co2 Incubator			

As per Govt. rules GST (18%) will be charged on the analysis charges. In special cases this service can be provided on payment of extra charges.
