# Editorial Board

We hereby take immense pleasure to publish our college magazine for the year 2018-2019. The magazine stands unique in the history of Theivanai Ammal College for Women and it is an abundant mix of our students' creativity and the achievements of our college. Theivanai Ammal College for Women (Autonomous) attained another milestone of entering 30 years of service in Women's Education.

We extend our wholehearted gratitude to the Management, Registrar, Deputy Registrar and Principal for their constant support, encouragement and guidance.

## Messages

**Thiru. E. Swamikkanu,**  
Chairman,  
E.S. Educational Charities

**“THE DEED IS EVERYTHING, THE GLORY IS NAUGHT.”**

E.S. Educational Charities aims at fulfilling the educational, cultural, social, and other aspirations of the people in and around Villupuram District. Thiru. E. Swamikkanu is the Founder Chairman of the E.S. Educational Charities. His sincere and unrelenting efforts have led to the establishment of several institutions in Villupuram under the auspices of E.S. group. Theivanai Ammal College for Women was established with a missionary zeal for imparting quality education to the socially, economically and educationally deprived women of Villupuram district.

“My vision in founding the college was to impart higher education to girls and to make them self-reliant. I feel that women are the greatest national asset by teaching one woman, we teach the whole family. TACW is the right place where one can learn, interact, grow and discover”.

**Mr. S. Senthilkumar,**  
Secretary,  
ESSK Educational Charities

“If you educate a man, you educate an individual; however if you educate a woman, you educate the whole family. Empowering women means empowering Mother India”.

Education is pivotal in Women Empowerment program and Theivanai Ammal College for Women in its 30 years of service has taken up this crucial role in the region.

Our college is the only Autonomous institution in Villupuram district Re-Accredited by NAAC with ‘A’ Grade. It is equipped with all the modern facilities, well maintained Computer labs, Science labs, Auditorium, Seminar hall, Internet facilities, adequately stocked Library and lush green campus.

Our college aims to be a bench mark institution in Women Empowerment where the standard of women is improved with respect to education, health and economic opportunities. Our institution explores quality higher education to evolve empowered women who are strong and ready to take up the challenges for building up of the Family, Society and Nation.

**Dr. E. Soundara Rajan,**  
Registrar,  
ESSK Educational Charities

Theivanai Ammal College for Women (Autonomous) is a Pioneer Institution in Villupuram District, with the vision of providing Quality Education to the Women students and to develop Leadership Qualities. Our Institution is running more than three and half decade and focus on Women Empowerment and promote academic excellence. Our benevolent Management focusing on Global Education and Planning to have MOU with Foreign Universities like SCHILLER INTERNATIONAL UNIVERSITY, PARIS, SINGAPORE AND MALAYSIAN UNIVERSITIES. College is running with good infrastructure facilities with dedicated faculties and committed Management.

**“I WISH EVERY SUCCESS OF THE INSTITUTION”**

**Dr. A.V. Aruna Kumari,**  
Principal,  
TACW

Women Empowerment has been the basic requirement for civilized societies. Education, skills, employment and entrepreneurship are the hallmarks of empowered women. Theivanai Ammal College for Women is the Typical Almamater for Complete Woman, the favoured destination for the like minded students, parents and faculty. The college has entered the new phase of International Academic collaborations bringing the true spirit of Globalised world within the reach of students of Villupuram region. Taking steps to create Global Citizens from

The Magazine showcases the activities on the campus. I Congratulate the editorial board for the concrete effort in bringing out this issue.

**Ms. V.S. Selvi,**  
Vice Principal,  
TACW

As the Vice principal of the reputable Institution, I consider it my privilege to pen down my message for our college magazine.

At TACW, we believe that every student is a gift of God and that excellence is the way of life. Keeping this in mind in our college we provide the students value based Education opportunities to grow in every space of life both in academics and in their personality development.

High standards and exceptions for each student in regard to academic performance, co-curricular participation and responsible citizenship are the foundation of our institute. I would like to express my sincere thanks to the inspiring management and I extend my gratitude to the Registrar, the Principal and to all the staff members for their constant amicable support towards the Institution.

**Ms. B. Sridevi ,**  
Controller of Examination,  
TACW

“There is no end to education. It is not that you read a book, pass an examination, and finish education. The whole life, from the moment you are born to the moment you die, is a process of learning.”

The hallmark of an ideal educational institution is to provide quality education. It should consist of a series of enhancements each raising the individual to a higher level of awareness, understanding and empathy leading to healthy development of an individual and thereby contribute to the dynamic development of the state and the country. The prime focus of the TACW examination office is to make a student capable enough to face the competitive world through quality education, transparent and accountable assessment system.

Autonomy is a functional status given to the colleges by the University Grants Commission and University (UGC). Autonomy reflects efforts for excellence in academic performances, capability of self governance and enhancement in the quality of education. Autonomous College can introduce new courses and programmes and review, restructure and redesign the existing ones.

## Highlights of Curriculum under Autonomy

- Revision of course profile once in three years to incorporate local & global needs.
- Courses are introduced as considered in different learning levels & needs of the students.
- Inculcate moral principles and character building among the students, Value Education courses are offered for UG & PG.
- Soft skill courses are included in the UG Curriculum.
- Embracing technology for effective learning experiences- video conferences, Webinars, online courses, ICT tools.
- To enhance employability of the students - introduced discipline based, Contemporary Value Added Courses.
- Summer Internship, Experiential Learning & Industrial Visits Enhance the Learning experiences.
- Workshops included for Non lab Departments to develop skills in the respective disciplines.
- Inclusion of rural women oriented / recent trends/ environment/ EDP/ ICT/job oriented/skill oriented under part -3,4,5.
- Extra credit provision for gifted student in terms of self study.

# NAAC VISIT

## NAAC Peer Team 3<sup>rd</sup> Cycle Visit

The National Assessment and Accreditation Council (NAAC) is an Autonomous body established by UGC to assess and accredit higher education institution all over India.

Theivanai Ammal College for Women (Autonomous) has obtained A Grade in 3<sup>rd</sup> cycle of re-accreditation after the successful visit of NAAC Peer Team on 24 & 25<sup>th</sup> March 2019.

**“Hat-trick in receiving NAAC A Grade.”**

# NAAC ACCREDITATION

**Dr. Manimala Das**  
**Former VC, Chairperson**  
**NAAC Peer Team**

**Dr. Resia Beegam S**  
**Professor, Member Coordinator**  
**NAAC Peer Team**

**Dr. Davis George**  
**Director, Member**  
**NAAC Peer Team**

## NATIONAL ASSESSMENT AND ACCREDITATION COUNCIL

F.19.26/EC(SC-37)/DO/2018/37th Meeting of the Standing Committee

28<sup>th</sup> March 2019

**The Principal**

**THEIVANAI AMMAL COLLEGE FOR WOMEN**

**VILLUPURAM - 605401**

**Tamil Nadu**

**Dear Principal,**

**Greetings from NAAC!**

I am glad to inform you that the outcome of the Assessment and Accreditation (A&A) exercise of your institution has been processed and approved by the Standing Committee constituted by the Executive Committee to examine the peer team reports and declare the accreditation results. Your institution has been **Accredited** with a **CGPA of 3.2** on a seven point scale at **A Grade** valid for a period of **5 years** from **28 - 03 - 2019**. The result is already uploaded on NAAC website. The original certificate of accreditation will be dispatched to the institution in due course. The Assessment Outcome Document (AOD) of your institution is available on the portal and the same may be downloaded and displayed on your institutional website. I am sure that the detailed peer team report handed over to you during the exit meeting along with the AOD will enable the institution to initiate further quality enhancement measures.

As per the guidelines of NAAC, it is mandatory for accredited institutions to retain the Self-Study Report (SSR) uploaded on the institutional website for A&A by NAAC until the completion of validity period of A&A. The SSR along with data templates should not be password protected and accessible to all the stakeholders. Institutions are also requested to take note of the mandatory requirement of submitting Annual Quality Assurance Report (AQAR) and uploading them on the institutional website on regular basis. Failing to submit the AQARs annually, institutions will not be eligible for the next cycle of accreditation. For details on the revised guidelines, please visit our website: [www.naac.gov.in](http://www.naac.gov.in) from time to time.

With best wishes,

Yours sincerely,

**(Dr.S.C.Sharma)**

The College received a grant of Rs.45 lakhs for purchasing of scientific equipments and setting up of central Instrumentation facility. The following equipments were purchased with the grant from DST- FIST Level 0 (2017-2018) (No. SR/FST/College – 111/ 2017, Dt. 16.01.2018).

## DST-FIST CENTRAL INSTRUMENTATION LAB EQUIPMENTS

CO2 Incubator

UV-Visible Spectrophotometer

Electrochemical workstation

Spectrofluorometer

Rotary Evaporator

FT/IR Spectrometer

### “Online Course - Mandatory for TACW students”

#### **NPTEL**

NPTEL is an acronym for National Programme on Technology Enhanced Learning which is an initiative by seven Indian Institutes of Technology (IIT Bombay, Delhi, Guwahati, Kanpur, Kharagpur, Madras and Roorkee) and Indian Institute of Science (IISc) for creating course contents in engineering and science. NPTEL provides E-learning through online Web and Video courses.

#### **Swayam**

Swayam is a programme initiated by Government of India and designed to achieve the three cardinal principles of Education Policy viz., access, equity and quality. All the courses are interactive, prepared by the best teachers in the country and are available, free of cost to any learner. Swayam learning process takes place through audio-video and multi-media and state of the art pedagogy/ technology.

#### **SPOKEN TUTORIAL**

An Initiative of National Mission on Education through ICT, MHRD, Govt. of India, to promote IT Literacy through Open Source Software. The Spoken Tutorial Project is about teaching and learning a particular FOSS (Free and Open Source Software) like Linux, Scilab, LaTeX, PHP & MySQL, Java, C/C++, LibreOffice etc. via an easy Video tool - Spoken Tutorials.

#### **Advantages of doing online course:**

- Variety of programme and Courses
- Lower costs
- Comfortable learning experience
- Career advancement
- Improving technological skills
- Transfer Credits

## அறிந்ததும் அறியாததும்

இரவு நேரங்களில் நாம் உறங்கும் போது தான் மூளை பன்மடங்கு சுறுசுறுப்பாக வேலை செய்யும்.

- பெண்களின் மூளை ஆண்களின் மூளையைவிட 10 சதவீதம் குறைவாகவே வேலை செய்யும்.
- மனித உடலில் உள்ள உறுப்புகளின் மூளையைத் தவிர மற்ற உறுப்புகள் அனைத்தும் வலியை உணரும் தன்மை கொண்டது.
- நாம் விழித்துக்கொண்டிருக்கும் போது மூளையில் உருவாகும் மின்சாரத்தின் அளவு 24 ஏழடவள ஆகும்.
- “மிகக் குறைவாகப் பேசுபவர்களின் மூளை அதிக ஆற்றல் தன்மையும் மிகுந்த ஆற்றல் தன்மையும், மிகுந்த அறிவுத் திறன் உடையதாகவும் இருக்கிறது”

R. JANANI I BA TAMIL

**பெரியவங்க ஏன்? எதுக்கு சொல்றாங்கனு தெரிஞ்சுக்கலாம்**

**‘அருகில் எங்காவது இடி, இறங்கினால் அர்ஜினா, அர்ஜினா என்று சத்தமாக சொல்ல வேண்டும்’**

காரணம்:

இடிச் சத்தத்தின் காரணமாக சிலருக்கு காது அடைத்துக் கொள்ளும். அதைச் சரிசெய்ய தாடையைச் சுருக்கி விரிக்க வேண்டும்.

**‘வடக்கே தலை வைத்துப் படுக்கக் கூடாது’**

காரணம்:

பூமியின் காந்த சக்தியானது வடதுருவத்தை நோக்கி நிற்கிறது. வடதிசையில், தலை வைத்து படுக்கும் போது அதன் ஈர்ப்பு சக்தியானது நம் தலையையும், மூளையையும் தாக்குகிறது. அதனால் ஆரோக்கியம் குறையும் என்ற நம்பிக்கையின் வெளிப்பாடு.

**‘உச்சி வேலையில் கிணற்றை எட்டிப் பார்க்கக் கூடாது.’**

காரணம்:

கிணற்றுக்குள் பல்வேறு நச்சுவாயுக்கள் உற்பத்தியாகும். உச்சி வெயில் நேரத்தில் நேரடியாக சூரிய வெளிச்சம் கிணற்றுக்குள் விழுவதால் அந்த வாயுக்கள் வெப்பத்தால் லேசாகி மேலே பரவும். எட்டிப் பார்க்கவார்களை அது தாக்கினால் ஆபத்து.

## சுசீந்திரம் தாணுமாலயன் கோவில்

இக்கட்டுரையில் நான் ஒரு திருக்கோவில் பற்றியும் அது அமைந்துள்ள சூழல் பற்றியும் கூற உள்ளேன்.

சுசீந்திரம் இவ்வூர் பற்றியும், இவ்வூரில் அமைந்துள்ள தாணுமாலயன் கோவில் பற்றியும் காண்போம்.

நம்மில் இங்கு அனைவருக்குமே சொந்த ஊர் உண்டு அது குக்கிராமமாக இருந்தாலும் சரி, பெரிய கிராமமாக இருந்தாலும் சரி சொந்த ஊர் என்றால் அனைவருக்கும் பிடிக்கும். சில விசயங்கள் மனம் விட்டு பேசலாம். திருவிழா, ஆறு, வயல்கள், குளம், ஏரி, மலைகள் இதெல்லாம் பற்றி பேசலாம். நினைக்கும் போதே உள்ளம் கூத்தாடும். அது போலவே என் சொந்த ஊர் சுசீந்திரம். தமிழ்நாட்டின் கல்வியறிவு அதிகம் கொண்ட, விவேகானாதர் மண்டபம் உள்ள கன்னியாகுமரி மாவட்டத்தில் சுசீந்திரம் உள்ளது. இங்கு உள்ள இயற்கையழகை எப்படி வருணிப்பது? குளிர்ச்சியைத் தரும் சுற்றுமுள்ள பசுமையும், என்னைக் களிப்படையச் செய்தது. கோவிலுள்ள குளத்தில் தண்ணீரைப் பார்த்து, ஆச்சரியப்பட்டேன். சில படிகளே தெரிந்தது இப்படி நிரம்பிய குளத்தைப் பார்த்து எவ்வளவு நாள் ஆயிற்று.. இப்போது கோவிலுக்குச் செல்வோம்.

கோவில் உள்ளே செல்லும்போது இராஜகோபுரம் நம்மை வரவேற்றது உயர்ந்த வான் அளவுக்கு முட்டும் இராஜகோபுரம், மிகுந்த நுட்பம் கொண்ட ஆயிரக்கணக்கான சிற்பங்கள் இருந்தது. சிற்பங்கள் கருங்கல்லில் செய்து வர்ணம் பூசாமல் அழகை மேலும் அழகாக்கி காட்டியது. இக்காலத்திலும் அதுபோல் சிற்பம் செதுக்க முடியாது. இக்கோவிலுக்கு சேர, சோழ, பாண்டியர்கள் கைங்கர்யம் செய்துள்ளனர். இக்கோவிலில் தாணுமாலயன் எனும் இறைவன் அருள்பாலிக்கிறார். இதில் ஸ்தானு. சிவன்.திருமால், அயன்.பிரம்மா. இக்கோவிலில் விஸ்வரூப ஆஞ்சநேயர், இசைக்கும் தூண்கள் உள்ளன. இங்கு நவகிரகம் தரையில்லாமல் அந்தரத்தில் சுவற்றில் பதிந்திருக்கும். இக்கோவிலின் வரலாறு, அத்திரி மகரி'யின் மனைவி அனுசயா. இவள் பதிவிரதை. இவளது பதிவிரதத்தன்மையை சோதிக்க, மும்மூர்த்திகளும் அதிதி வேடமிட்டு அவர்கள் குடிலுக்குச் சென்றனர். அதிதிகளுக்கு உணவு பரிமாற ஒரு நிபந்தனை விதித்தனர். அதிதிகளின் நிபந்தனையை ஏற்ற அனுசயா, தன் பதிவிரதத் தன்மையால், மும்மூர்த்திகளையும் குழந்தைகளாக்கி, ஆடையின்றி பால் கொடுத்தாள். இப்படி மும்மூர்த்திகளும் ஒன்றாக இந்த கோவிலுக்கு வந்ததனால் தாணுமாலயன் எனும் பெயர் பெற்றார். லிங்க வடிவில் இறைவன் உள்ளார். சுசீந்திரம் தேவேந்திரன் இக்கோவிலுக்கு வந்த சாப விமோச்சனம் பெற்றதால் ச்சீ - சுத்தம் - இந்திரன் : சுசீந்திரம் எனும் பெயர் பெற்றது. இக்கோவிலில், 1035 தூண்களுடன், நடனசபை உள்ளது. இத்திருக்கோவிலைக் காண வெளிநாட்டில் வாழ்பவர்களும் வருகிறார்கள்.

M. GOTHAI (B.SC.I CHEM)

சாந்தி என்ற அந்த வயதான மூதாட்டி நடுத்தெருவில் மயங்கிக்கிடந்தாள். தெருவில் நடப்பவர்கள் யாரும் அதனைக் கண்டுக்கொள்ளவில்லை. என்ன ஏது? என்று விசாரிப்பதற்காக அவர் அருகே சென்று தண்ணீர் தெளித்து எழுப்பினேன். அவர் எழுந்தவுடன் அய்யோ! என் பணம் போய்விட்டதே! நான் என்ன செய்வது? என் பிள்ளையை இப்பொழுது எப்படி கரை சேர்ப்பது? என்று புலம்பினார். நான் உடனே அம்மா உங்களுக்கு என்ன நேர்ந்தது? என்று விசாரித்தேன். அவரும் கூறத்தொடங்கினார்.

“சில மாதங்களுக்கு முன்”

அம்மா நீ யார் பெற்ற பிள்ளையோ தெரியல இப்படி என்ன அன்பா பாக்கற. ஆனால் இந்த உலகம் ஏன் தான் இப்படி ஆகிவிட்டதோ! அம்மா நான் ஒரு படிப்பறிவில்லாதவள். என் பிள்ளையின் எதிர்கால வாழ்க்கைக்காக முனிசிபாலிட்டியில் வேலை செய்து குருவி சேர்ப்பது போல் கொஞ்சம் கொஞ்சமாக வங்கியில் பணம் சேர்த்தேன். அப்போது வங்கி மேலாளர் ஏ டி ஏம் கார்டு என்று ஏதோ ஒன்றை என்னிடம் கொடுத்தார். அதற்கான எண்ணையும் கொடுத்தார். நான் அவரிடம் இது என்ன? இது எதற்கு? என்று கேட்டேன். அதற்கு அவர் இது நீங்கள் பணம் எடுக்க தேவைப்படும். நீங்கள் அடிக்கடி வங்கிக்கு வரத்தேவையில்லை என்பதையும் கூறினார். நான் உடனே ஐயா இதெல்லாம் எனக்கு உபயோகப்படுத்த தெரியாது என்று கூறினேன். அதற்கு அவர் நீங்கள் ஏடிஎம் வாசலில் பணம் எடுக்கப் போகும் போது அருகில் யாராவது இருந்தால் அவர்களிடம் கொடுத்து பணம் எடுத்துதரச் சொல்லுங்கள் என்றார். நானும் அதை கேட்டு விட்டு பணத்தை சிறிது சிறிதாக வங்கியில் சேர்த்தேன். ஒரு நாள் என் பிள்ளைக்கு உடல் நலக் குறைபாடு ஏற்பட்டது. அதனால், மருத்துவ செலவிற்காகப் பணம் எடுக்க அருகிலுள்ள அந்த ஏடிஎம் இடத்திற்குச் சென்றேன். அப்போது அங்கு யாருமே இல்லை.

இப்போது நான் எப்படி பணம் எடுப்பது என்று நினைத்தேன். உடனே ஏடிஎம் வாசலில் ஒரு “வாட்ச்மேன்” நின்று கொண்டிருந்தார். நான் உடனே அவரிடம் ஐயா எனக்கு இந்தப் பணத்தைக் கொஞ்சம் எடுத்துதாங்கய்யா என்று கேட்டேன். அவர் என்னுடைய ஏடிஎம் எண்ணைக் கேட்டார். நான் எழுதிவைத்திருந்த அந்த ஏடிஎம் எண்ணை அவரிடம் கொடுத்தேன். அவரும் எனக்கு பணத்தை எடுத்துக் கொடுத்தார். அதே போல் எனக்கு வேண்டிய பொழுது எல்லாம் ஏடிஎம் வாசலில் உள்ள அந்த வாட்ச்மேன் தான் எனக்கு பணம் எடுத்துத் தருவார். ஒரு நாள் வங்கியில் பணம் போடுவதற்காக சென்றேன். அப்போது என் அக்கவுண்டில் பணம் குறைவாக இருப்பது தெரியவந்தது. நான் உடனே வங்கி மேலாளரிடம் விசாரித்தேன். அதற்கு அதெல்லாம் எங்களுக்குச் ஒன்றும் தெரியாது. நீங்கள் அடிக்கடி பணத்தை ஏடிஎம் இருந்து எடுத்துள்ளீர்கள். இந்தாங்க அதோட விபரம் என்று என்னிடம் ஏதோ சீட்டை தந்தார். நான் ஐயா இதெல்லாம் எனக்கு ஒன்றும் தெரியாது உங்களை கெஞ்சி கேட்கின்றேன் தயவு செய்து என் பணத்தை எப்படியாவது எனக்குத் தந்துவிடுங்கள் என்று கதறினேன். அதற்கு அவர் அம்மா இப்படி இங்கு வந்து என்னுடைய உயிரை வாங்கிறீங்களே தெரியல யாரோ ஒருவர் உங்களுடைய ஏடிஎம் கார்டிலிருந்து பணம் எடுத்துள்ளார் எனக் கூறினார். ஐயா நான் என்ன செய்வது என்று கேட்டேன்.

அதற்கு அவர் காவல் நிலையம். சென்று புகார் அளிக்கச் சென்னார் நானும் காவல் நிலையத்திற்கு சென்றேன். அங்கே என்னிடம் பல கேள்விகள் கேட்டார்கள். நான் அதற்கெல்லாம் பதில் அளித்தேன். உடனே அவர் என்னிடம் எம்மா உங்களுடைய ஏடிஎம் எண்ணை யாரிடமாவது சென்னீர்களா என்று கேட்டார். உடனே நான் ஐயா அந்த ஏடிஎம் வாட்ச்மேன் வாசலில் நிற்பார் அவரிடம் தான் ஏடிஎம் காட்டு கொடுத்துப் பணம் எடுத்து தர சொல்வேன் என்று கூறினேன். உடனே அவர் என்னைப் பார்த்து எம்மா நீங்கள் எந்த காலத்தில் இருக்கறீங்க விஞ்ஞானம் எவ்வளவோ வளர்ந்து விட்டது என கூறினார். நான் ஐயா அதற்கு என்னதான் வழி என்று கேட்டேன். அந்த ஏடிஎம் இருக்கும் இடத்திற்கு அழைத்து சென்றார். அங்கு நின்றுக் கொண்டிருந்த வாட்ச்மேனை அழைத்து விசாரித்தார். அந்த வாட்ச்மேன் பயந்து நான்தான் பணத்தைத் திருடினேன் என்று ஒப்புக்கொண்டார். உடனே நீ எப்படி பணத்தை திருடினாய் என்று விசாரிக்கும் பொழுது அந்த வாட்ச்மேன் இந்த அம்மா என்னிடம் அவங்களுடைய ஏடிஎம் காட்டைக்கொடுத்து அதற்கான எண்ணையும் என்னிடம் செல்லி பணத்தை எடுத்துத் தர சொல்லுவார். நானும் பலமுறை எடுத்துக் கொடுத்துள்ளேன். ஆனால் எனக்கு பணத்தை தேவைப்படும் பொழுது அந்த ஏடிஎம்-யை வைத்து அதன் மூலம் போலி ஏடிஎம் காட்டை தயாரித்துப் பலமுறை பணம் எடுத்துள்ளேன் என்று அந்த வாட்ச்மேன் பதில் கூறினார். உடனே காவலர்கள் அவரை காவல் நிலையத்திற்கு அழைத்துச் சென்றனர். ஆனால் இப்பொழுது நடுத்தெருவில் நிற்கிறேன் அந்த மூதாட்டி புலம்பினார். அதனால் நம்முடைய ஏடிஎம் காட்டு எண் தனி நபர் முகவரி மற்றும் வங்கிக் கணக்கு எண்களை யாரிடமும் பகிர்ந்து கொள்ளக் கூடாது என்று ஆறுதல் கூறி அவ்விடத்தை விட்டுச் சென்றேன்.

## SHORT STORY - SWEET FRIENDS AND A CHOCOLATE

In a small town there lived a girl named Maya. She is a very kind girl and helpful to others. She is very crazy on eating chocolates and she had a friend named Madhu Mithra. She loves Madhu so much. They both were like twin sisters. Mithra cares for Maya a lot and she won't allow anything which affects Maya.

First day of every month Mithra use to give chocolates to Maya and they both will share and eat it. As years passed they both came to 10th standard and they were eagerly studying for their board exams. One day after finishing special class they were walking on the road and was chatting happily. When Maya was walking on the road in reverse and chatting interestingly suddenly a car came fast towards her, Mithra saw this and pulled her aside. But unfortunately the car hits Mithra and she was thrown away. Maya was stunned and not able to realize what was going on. She saw Mithra lying near a pillar and struggling to get up Maya ran to her and lifted her head up, Mithra made signs to take her bag which was thrown on the road. Maya took her bag quickly and handed over it to Mithra. After this incident, with a great sense of joy, she took Dairy milk silk chocolate and gave it to Maya because, the next day was September 1. Maya grabbed the chocolate and hugged her. Suddenly ambulance rushed their place and took Mithra to the Hospital. Maya's bad luck Mithra is no more now because she died on the way to the hospital. Maya on hearing this froze in shock. After that incident Maya had thrown out chocolates from her life. Few years later Maya met a new friend named Diya, a sweet and caring heart as Mithra. Diya came to know about her past and consoled Maya and gave her tight hug and said:

Mithra may not be present in this world

But her love towards you exists still,

Don't worry I am there for you”

Maya saw Mithra through Diya and smiled at her. Finally both the friends are happy and shared their chocolates with each other.

## GETTING WORLD CLASS

A successful person is identified by his public glory and rarely by his personal sacrifice. The subtle difference between a world and the ordinary is that the former takes advantage of failure while, the latter do not. "No one listens to a poor philosopher", reflects the truth that worth makes words effective. The Japanese believed that one have three faces. Firstly, one shows to the world, secondly to the close friends and family and thirdly unrevealed, is the true reflection of our real self.

The uniqueness of an individual is the greatest power. "No one is you". No one can stop anyone from becoming a world class, unless one chooses to do. The qualities that can make students world class; begin now. Even if it is late, you are ahead of a lot others who are yet to start. Avoid giving in to temporary, trivial temptations. Instead of starting at the stair-case, desist from momentary benefits that can be direct. Be realistic about time and consequence. Shed laziness. Execute your responsibilities first and pursue your goal. Take up challenges, they push us up.

"If your dreams don't scare you, they aren't big enough!" says Ellen Johnson Sirleaf.

Fix the mind on the goal and use every failure to rise again. Marks are necessary, but they aren't everything. Barack Obama, who is the first African- American President of USA, is a great administrator. Great things need time to evolve. Be prepared to face failure and sometimes a "plan crash". Draw strength from your vision and reinforce your vision.

"Nothing works, unless you work,  
Nothing changes unless you change,  
Wake up motivated and dominate the day and finally  
World class isn't easy, but no one can stop you!"

S.FAHMITHA NOORINI  
I B.SC (CS)'A'

## MY DADDY

Daddy, when I was born  
You smiled, And I cried  
You lifted me on your arms,  
That Makes me to stop crying.  
Daddy, You are my soul  
Your love on me never fail  
Fine a man, great a dad  
As my daddy is to me.  
Daddy, you are smart,  
Its seems to be like an art.  
You make me a great child  
To achieve my goals and your vision  
To the world, your are my dad And to me, you are the world  
Be my son,  
On my next birth, Love you daddy.

## MY CASTLE IN THE AIR

It was in my dream  
When I first saw you.  
Dreams were many,  
But that was new.  
Your smile seemed familiar to me  
But it was hard to remember  
And the eyes were so deep  
That I could stare forever.  
You came towards me  
With a silent smile  
Held my hands  
And hugged me for a while  
The moment was so magical  
Which I can't even express  
But my heart beats revealed  
That you were my prince  
My eyes were closed,  
Still I could feel your touch  
Heart beats collapsed  
But it didn't bother much.  
And then I saw your eyes  
It was in pain  
Because it was time  
For you to leave.  
I tried to stop you  
And you promised to come soon,  
All of a sudden  
I came out of my dream,  
Opened my eyes to see  
The reality I am in.  
The dream was eternal  
When my eyes were closed  
But my eyes can't find the face  
Which I wanted to see the most.  
Helpless was me  
With a hope to see you again  
And my eyes are still searching  
To see the smile in real.  
But I will wait till the end  
Not for stars

Which have not fallen  
Neither for the sun  
Which didn't rise yet  
But for the promise  
Which You have made.  
So its time for me to move now  
Cause I must face the responsibilities  
somehow.  
But I will meet you somewhere  
As I carry a strong belief in my mind  
And then I will wipe those tears  
Which you left behind.  
God may not change his rules  
To turn my dream into real  
But I would not worry  
Cause my belief was eternal.  
One day I will be tired  
After fulfilling all my duties,  
But I will be happy enough  
As I would be done with my  
responsibilities.  
So I would close my eyes again  
With no worries and fear for pain  
As It would be time  
To be with you forever  
Cause this time  
I would not open my eyes ever  
Just to be in the castle in the Air  
With you.

## THE UNSEEN BARRIERS OF WOMEN IN SOCIETY

Women empowerment means giving women their due place in the society. Women, who have been suppressed, oppressed and ill-treated since centuries, are now stepping out to create an identity of their own. They need to be encouraged and empowered in this new endeavour of theirs. However, unfortunately some sections in the Indian society are against this new found freedom of the women.

One of the biggest barriers in women empowerment is the general mindset of our society, according to which women are expected to take care of their family and household chores. A woman is considered ethical only if she keeps her house clean, cooks for her family, takes good care of her kids and husband and serves the elders in the family. As the women begin to go out and work, they are burdened with the numerous duties of their family as well as the job responsibilities.

Many find it hard to cope-up with the situation and end up giving up on their job. Those who try to manage both hand in hand often live in extreme stress as they are criticized for neglecting the needs of their family and spending time outside even if it is only for work.

### **How to Overcome Barriers to Empowerment of Women in India Education is the Key**

The government must enforce that every girl child in the country seeks education. Since Education is the stepping stone for the empowerment of women. Women must be educated so that they can secure a job and be financially independent.

The male members of the society must also be educated and sensitized about the need to educate and empower women.

### **Women Must Stand for Women**

If women appreciate and help each other to learn and grow instead of criticizing one another our society would be a much better place for women.

**Women must be empowered so that they can lead a better life. They must be educated and trained to be financially independent. In addition to it, they must be provided a safe environment to live freely and independently.**

### **LIFE...**

Life is an opportunity, benefit from it  
Life is a beauty, admire it  
Life is a dream, realize it  
Life is a challenge, meet it  
Life is a duty, complete it  
Life is game, play it  
Life is promise, fulfil it  
Life is a sorrow, overcome it

Life is a song, sing it  
Life is a struggle, accept it  
Life is a tragedy, confront it  
Life is an adventure, dare it  
Life is a luck, make it  
Life is too precious, don't destroy it  
Life is life, Live for it

## THE LITTLE PLANT

In the heart of a seed,  
Buried so deep,  
A tiny plant,  
Lay fast asleep.  
“Wake”, said the sunshine,  
And creep to the light.  
Again the sunshine said  
“wake”,  
Of the rain drops bright.  
The little plant heard  
And it rose to see,  
what is a wonderful world  
I have seen now.

## MOTHER

If I could give you diamonds  
For each tear you cried for me.  
If I could give you sapphires  
For each truth you have helped me to see.  
If I could give you rubies  
For the pain that you have known.  
If I could give you pearls  
For the wisdom that you have shown

Then you will have a treasure, mother,  
That would mount up to the skies  
That would almost match  
The sparkle in your kind and loving eyes.

But I have no pearls, no diamonds,  
As am sure you are well aware  
So I will give you some more precious gifts-  
My devotion, love and care.

## NATURE

The Loveliest thing in the world  
Wants nothing from the people but gives everyone  
No one appreciates it  
Sometimes it will teach us how to be patient  
Like ocean, which hides all its pain inside it?  
Sometimes it will show us how to fight  
Like wind, which destroy the thing, which hurts it's a lot  
Sometimes it keeps its clam like sun,  
When the moon deserve everything's.  
It always gives us space  
But, we don't know how to fill the space.  
It will live without us  
But, we can't live a second without nature.  
It only gives life to us  
But, we are destroying the life of nature.  
If we can't protect the nature,  
The nature will not protect us.

## EACH PARENT IS THE BEST PARENT

Thank you Mamma and Papa  
For everything you have ever done  
To make my life better  
I might deny it sometimes  
But a great part of who I am now  
Is because of both of you.  
Sometimes I thought to myself  
That you were being too strict  
Sometimes too unfair with me  
But now I can see  
That it was all for the best  
And I am really thankful for it all  
You taught me respect for others  
You bought me everything I needed  
On a level most kids of my age  
Newer even heard of.  
You taught me the value of life  
In an easy way to understand I know that I am  
Sometimes be little hard-headed  
Or even really short-tempered  
But still you took good care of me  
And you managed me all the time  
I am still following you both  
And trying to become  
As good person as I can be  
And I just wanted to tell you that  
You are my I love you Mamma and Papa.

### THE ADORABLE MOM AND THE LOVELY DAUGHTER!!!

The beautiful memories remain evergreen in our heart. The pleasant memories happen in my life frequently. I was ten and doing my fifth grade, I love both my mom and dad. In **My Running Mind**, I have so many things to share about my mother and I feel elated to do so. I did not allow my mom to go out of my sight, when I was young and even now. I go along with her wherever she goes. At the pleasant evening me and my mother go to open terrace to pluck the jasmine flowers from the plants. I admire the way, she handled the flowers and I was taught at the moment how humble the flowers should be treated. My mom taught me the values of making promise and keeping the promises. I adorn the way she cooked dishes and her serving is filled with the love. I love my mom, whatever she does. My mom is too caring of her family, she prays to god for the well being of the family.

I was yet to finish my grade five with just a month ahead. I was playing with blade and cello tape by scratching the tape with the blade, while my mother was engaged in chit chat talks with my neighbor. Suddenly the blade cut my palm skin and the wound became deeper. My mother noticed it after few seconds. She was panicked to see the blood stream in my hand, she rushed me to the wash basin and tried to allow water and stop the blood but it did not. My dad fastened the vehicle to the hospital; the doctors there told that we want to do the stitches right over there. The process to do stitches began but without anesthesia. I kept laughing and she was about to faint, but sat on the chair. This is the love of the mother towards her daughter. Since I injured my hand, I was unable to do my own things my mother did everything for me. My school principal

Mr. V. C. Mani Brother gave permission for my mom to feed me. For a month, she came down the road nearly two kilometers and feed me; even though she had back pain she came. She took immense care on me. This made me to realize that you love me more than you.

One more memory that made my mom realize the love which I have on her is the accident. While we were crossing roads, a girl came in high speed in her bike and dashed us. We were thrown away. I did not injure but my mom was injured badly. My mom was conscious but I know how much pain she endured. I was rushing to the hospital with her. I did not have enough pennies, for the treatment. I ran to my house to inform about it. I prayed to god that god should not pick my mom away from me. She got hurt in two knees and the part of the skin in her hand was ripped off. We moved to government hospital for the further treatment. My face was sweating and when she saw my fear, she promised me that “I will be okay my child, don’t worry”. For next few weeks, I was traumatized and experienced sleepless nights. I took a great care of my mother.

After few days she recovered completely. We both went to pluck the flowers again. **“When we are in need of someone to take care of us our mom’s lap awaits to be occupied. When she needs the same we have to offer our lap”**. The adorable mom is called as Pramila and the lovely daughter as Swathi. We have many conflicts between us but the love and affection suppress the conflicts. It cherishes my life with the blissful moments.
